Filling the Pod

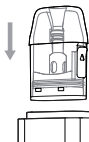

Open the black silicone plug on the side to add E-liquid.

Refilling Port Size:
4.3*3.8mm

Important

- Wait for at least five minutes after filling to allow the new pod to saturate with E-liquid.
- Do not let the pod run completely dry. Refill it regularly to avoid dry hits or coil damage.

Installing and Replacing the Pod

Magnetic pod: The pod can be removed directly from the device.

Charging

- Charge the device promptly based on the battery level.
- Use a certified USB-C charging cable and a standard output charger with the correct charging current and voltage range.
- Charging pauses during vaping and resumes after vaping.
- Charging Indicator:

<90% ●

90 ~ 99% ●

100% ●

Caution

- Avoid dropping, throwing, or mishandling the device to prevent damage.
- Protect the device from direct sunlight, dust, moisture, or mechanical shock.
- Keep the device away from any water, liquid, or flammable gas.
- Keep the contents of this package out of reach of children, non-smokers and animals.
- Do not leave the device charging while unattended.
- Do not use it if pregnant or breast-feeding.
- Warning: Do not use this product if you suffer from heart disease, severe hypertension, diabetes, stomach ulcers or have a history of seizures.

EEE Recycling

This product is meant to be disposed of in an approved e-waste receptacle or recycling bin. Do not throw it away in standard waste receptacles.

Specifications

Dimensions: 15.5 × 33.4 × 100 mm
Pod Capacity: 2.0 mL
Supported Resistances: 0.6Ω / 0.8Ω / 1.2Ω
Output Power: Max.22W
Built-in Battery Capacity: 1800mAh
Charging Current: DC 5.0V / 2.0A
Draw-activated Vape

Protection & Alerts

Condition	Light Signal	What Happens
Low Battery	Red light flashes 8 times	Device stops working
High Resistance/ Open Circuit	Light flashes, then turns off	Vaping stops
Low Resistance	Light stays on	Device stops working
Short Circuit	Light stays on	Device stops working
Overtime (>10s)	Light flashes 10 times	Device stops working
Overheat	Red light flashes 3+3 times	Device stops working
